Dear Ysgol Gymraeg Llundain,

ITN cameras came to school last Friday as King Chalmers was visiting Cardiff - the children spoke so well to the reporter, so it was a shame the item wasn't used on the news!

We held an Assembly on the same day to celebrate Owain Glyndŵr day. We were thankful that one of the pupils brought in some Owain Glyndŵr artifacts later on in the week.

The London Welsh Rugby Club gave us a very warm welcome on Saturday. The children had such fun waving banners to welcome the players onto the field.

The Board of Governors will have their first meeting on Wednesday, October 5th. Do remember that a new Parent Representative is needed - the office has sent out forms, so do look at these and return if interested.

Bye for now,
Mrs Brady

Newyddion o'r Nyth

Early Years

Autumn came to the 'Nyth' this week and throughout the week we've enjoyed learning about this special season. We started by going for a walk in our local area to collect autumn objects such as twigs and leaves. We then set out to learn a new song 'Yn yr Hydref' and at the end of the week we'll build a home for a snail.

Y Diweddaraaf o'r Dosbarth

Dosbarth Robin Goch

We went for it with our new context for learning this week which is 'What a wonderful world.' We set out to explore different animals and their habitats. Before the end of the week we'll begin to consider how global warming has caused these habitats to change.

Next week, the class will visit the Natural History Museum, where we'll watch a special show about sea animals and their habitats. We're all looking forward to it! Do remember to return the consent forms if you haven't done so already.

Hwyl Gyda'r Hwyr

Wraparound Care and Clubs

This week in Clwb Hwyl, we started by finding out more about the play 'Much Ado About Nothing'. After we learnt the meaning of the word 'ado' we researched the location of the play, Sicily. We then turned our hands to acting before designing our own costumes. Next week, we will be making masks.
